Returned with compliments.

It is observed from the file that no meeting of the Board has been held from 17-3-1944 and consequently the stenotypist would not have done any of the duties enumerated in para (1) of letter No.T.735/43-44, dated 1-10-43 from the Secretary Mysore Transport Board, to the Secretary to Government, Supplies Department. If he has been discharging any of the duties indicated in paras (2) and (3) of the said letter, his salary would have to be debited to the expenditure connected with Tyre-Rationing or the Stores Purchase Committee as the case may be, and the Food Supplies Department may not be held liable.

Letter No. T.735/43-44 dated 1st October 1943, from the Secretary, Mysore Transport Board, Bangalore City, to the Secretary to Government, Supplies Department, Bangalore.

Subject:- Work of the Steno-typist of the Mysore Transport Board.

With reference to the correspondence ending with your letter No. SD.1938 dated 22nd September 1943 on the above subject, I am directed to state as follows:-

1. The work of the Transport Board includes:-

   (a) Issue of Notices to members intimating the date of the meeting and calling for subjects for discussion.
   (b) Preparation of Agenda for the meeting and notes on each subject and forwarding copies thereof to the members.
   (c) Preparing the draft proceedings of the meeting and after its approval, forwarding copies to the members.
   (d) Attending to all correspondence and steno-typing relating to the above items of work.

   If the meetings are to be held once a month, the official will be fairly fully engaged.

2. The Traffic Board Office has no Steno-typist and therefore the Steno-t[redacted]ng work of that office in connection with Tyre Ra[redacted]ning etc., is also being attended to by the Steno-typist of the Transport Board.

3. On such of the days as this Steno-typist has little or no work in both of the two offices referred to above, his services are fully employed for typing work in the Stores Purchase Committee Office, where the work is very heavy.

It will thus be seen that the Steno-typist in question is always kept fully engaged throughout the day.
